The Office of Ethics and Integrity (OEI) has jurisdiction over all employees in departments under the direction of the Mayor, providing leadership and guidance to employees regarding the City's ethics-related rules and regulations. The office is separate and apart from the City's Ethics Commission, which focuses on clarifying and enforcing governmental ethics laws (e.g., Ethics Ordinance, Election Campaign Control Ordinance, Municipal Lobbying Ordinance) for elected officials, unclassified staff, and appointed members of boards and commissions.
